Blue Shield of California Life and Health Insurance Company*, Case No. BC516868 (the "Action" or "Litigation"), and matters raised by and related to the Action, are settled fully and finally,

## I. RECITALS

### A. The Lawsuit

1. On August 8, 2013, Plaintiffs filed a class action lawsuit in the Superior Court of the State of California, County of Los Angeles, entitled, *Bodner v. Blue Shield of California Life and Health Insurance Company*, Case No. BC516868. On May 21, 2014, Plaintiffs filed the operative First Amended Complaint (“FAC”).

2. Plaintiffs FAC made various allegations regarding Blue Shield’s “Vital Shield” health insurance policies series. Plaintiffs alleged that when Blue Shield administered claims submitted by Blue Shield enrollees with the Vital Shield policies, Blue Shield wrongfully failed to count certain out-patient medical services towards its members’ deductibles and out-of-pocket maximums, and wrongfully excluded from coverage certain services until the out-of-pocket maximum had been met. Plaintiffs alleged causes of action for breach of contract, breach of the implied covenant of good faith and fair dealing, unfair business practices in violation of Bus. and Prof. Code section 17200, and declaratory relief. Plaintiffs sought damages for monies for health insurance benefits that Blue Shield did not pay as a result of the alleged wrongful practices.

3. On September 3, 2015, Plaintiffs filed a motion for class certification. Blue Shield filed its opposition on December 4, 2015. Plaintiffs filed a reply brief on January 22, 2016. On February 18, 2016, the Court held a hearing and granted the class certification motion on all causes of action. The Court appointed Gianelli & Morris, Stuart Law Firm and Law Office of Kathryn Trepinksi as Class Counsel and appointed Plaintiffs Arthur Bodner and Michael Felker as Class Representatives.

**B. Negotiations and Agreement to Settle**

4. The Class Representative, through Class Counsel, and their experts, have investigated the allegations asserted in the Litigation and have closely analyzed the merits of the alleged claims and the alleged damages suffered by the Class. Class Counsel have considered the facts, law, and potential defenses regarding the claims alleged against Blue Shield. Class Counsel's investigation has been adequate, and this Settlement is fully informed.

5. After six years of investigation, discovery, and litigation, the Parties have agreed to settle the Litigation. The Parties mediated this matter before Robert Kaplan, Esq. and Edwin Oster, Esq., experienced and well-respected private mediators with Judicate West. Over five in-person mediations and multiple telephone calls, the Parties have conducted discussions and arm's length negotiations with each other regarding the claims asserted in the Litigation.

**C. Blue Shield's Denials of Wrongdoing and Liability**

6. Blue Shield denies each and every claim and contention alleged or otherwise made or pursued against it by Plaintiffs in the Litigation. Blue Shield denies all charges of wrongdoing or liability against it arising out of any of the conduct, statements, acts, or omissions alleged, or that could have been alleged, in the Litigation.

7. Blue Shield denies any and all liability. Nonetheless, Blue Shield has concluded that further litigation would be protracted and expensive, and that this Settlement is desirable solely for the purpose of avoiding the burden, expense, risk, and uncertainty of continuing the proceedings.

**D. Benefits of the Settlement to the Settlement Class**

8. The Class Representative and Class Counsel believe that the Settlement provides fair, reasonable and adequate recovery for the Class based on the claims asserted and the

evidence developed and what might be proven by the Class Representative and the Class in the Litigation.

9. Class Representative and Class Counsel further recognize and acknowledge the expense and time of prosecuting the Litigation through trial and appeal. Class Representative and Class Counsel also have considered the uncertain outcome and the risk of any litigation, including the risk that the Class might obtain no relief, especially in a complex action such as this one, as well as the difficulties and delays inherent in any complex litigation.

**THEREFORE**, it is stipulated and agreed by and among the Parties to this Agreement, through their respective attorneys, in consideration of the benefits to the Parties from the Settlement, the adequacy of which is acknowledged by the Parties, and subject to (1) approval of the Court, and (2) the other conditions set forth in this Agreement, that the Released Claims against the Released Parties will be finally and fully compromised, settled, and released.

**[EXHIBIT 01]**

**IF YOU ARE CURRENTLY ENROLLED OR HAVE EVER BEEN ENROLLED IN A VITAL SHIELD HEALTH INSURANCE POLICY FROM BLUE SHIELD OF CALIFORNIA LIFE AND HEALTH INSURANCE COMPANY, YOU COULD RECEIVE MONETARY BENEFITS FROM A CLASS ACTION SETTLEMENT.**

*A court authorized this notice. You are not being sued. This is not a solicitation from a lawyer.*

- This settlement notice relates to a class action brought by two individuals who allege that when Blue Shield of California Life and Health Insurance Company (“Blue Shield”) administered claims by enrollees of its Vital Shield policies, it wrongfully failed to count certain out-patient medical services towards deductibles and out-of-pocket maximums.
- On December 4, 2019, the Court preliminary approved a settlement of this class action (the “Settlement”).
- This Settlement provides that Blue Shield will cause \$12.5 million (“Gross Settlement Amount”) to be paid to the Class. After payment of attorneys’ fees, litigation expenses, named plaintiff incentive awards, and settlement administrative expenses, the remainder (“Net Settlement Fund”) will be distributed to the Class Members in the following manner:
- Class Members will receive a Settlement Check in a pro rata amount of the health insurance benefits they would have received if Blue Shield had counted the medical services towards their deductibles and out-of-pocket maximum with the following minimum payments:
- Class Members who are still Vital Shield enrollees as of January 1, 2019, will receive a minimum \$50.00 distribution.
- Class Members, who are no longer Blue Shield enrollees as of January 1, 2019, and whose pro-rata distribution would be less than \$10.00, will receive a minimum \$10.00 distribution.
- Your estimated Settlement Check is \$ \_\_\_\_\_
- Blue Shield denies the allegations in the lawsuit, and the two sides disagree on the likely outcome of the case if it goes to trial.
- Court-appointed lawyers for the Class will ask the Court to award them a fee equal to 33 and 1/3% of the Gross Settlement Amount (\$4,166,250.00) plus reimbursement of expenses incurred in prosecuting this lawsuit, not to exceed \$653,433.46, to be paid from the Gross Settlement Fund. Class Counsel also intends to ask the Court to grant the Class Representatives an incentive award not exceed \$10,000.00 each.
- Your legal rights are affected whether you act, or don’t act. Read this notice carefully.

<b>YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT:</b>	
<b>DO NOTHING</b>	If this Settlement is approved, and you do nothing, you will remain a Class Member and will receive the Settlement Check in the estimated amount identified to you in the Notice.
<b>EXCLUDE YOURSELF</b>	If you choose to exclude yourself, you will not receive the benefits available under the Settlement. You must submit a timely written request to exclude yourself from the Settlement to the Settlement Administrator by _____, 2020.
<b>OBJECT</b>	You may write to the Settlement Administrator about why you do not like the Settlement. Written objections must be sent to the Settlement Administrator no later than _____, 2020. Making an objection does not exclude you from the Settlement. If the Settlement is approved, you will be subject to the Settlement and will be bound by the Release, described in response to Question 12.
<b>DISPUTE ESTIMATED SETTLEMENT CHECK</b>	You may write to the Settlement Administrator about why you believe your estimated Settlement Check is incorrect. Written statements of dispute must be sent to the Settlement Administrator no later than _____, 2020. A written statement of disputes does not exclude you from the Settlement. If the Settlement is approved, you will be subject to the Settlement and will be bound by the Release, described in response to Question 12.
<b>GO TO THE HEARING</b>	If you timely object in writing to the Settlement as described in this Notice and timely file a notice of intent to appear at the Final Approval hearing with the Court by _____, 2020, you will be entitled to speak in Court about the fairness of the Settlement during the Final Approval Hearing set for _____, 2020.
<b>APPEAR THROUGH AN ATTORNEY</b>	If you desire, you may enter an appearance in this case through an attorney at your own expense, but you will still need to comply with the requirements for objecting to the Settlement and appearing at the fairness hearing.

- These rights and options—and the deadlines to exercise them—are explained in this Class Notice.
- This Class Notice is merely a summary of the terms and provisions of the proposed Settlement. For a complete description of the terms and provisions of the proposed Settlement, including certain exceptions, conditions, and limitations that may not be addressed herein, you should read the Settlement Agreement filed with the Court and available at [www.\\_\\_\\_\\_\\_.com](http://www._____.com) or by calling [**ADMINISTRATOR NUMBER**]. Capitalized terms in this Notice have the meanings assigned in the Settlement Agreement.
- The Court in charge of this case still has to decide whether to approve the Settlement. Please be patient.

**IMPORTANT DATES .....9**

- 25. What are the important dates and deadlines relating to this settlement? 9

## **1. Why did I get this notice?**

You received this Class Notice for one of the following reasons:

- A. Blue Shield's records show that you were at one time enrolled in a Vital Shield health insurance policy, and when Blue Shield administered claims under your policy, it either did not count certain covered out-patient medical services towards your deductible and/or out-of-pocket/co-insurance maximum, or excluded certain covered out-patient medical services from coverage until the maximum had been met. Blue Shield's records further show that had it counted those services and/or not excluded those services, you would have received additional health insurance benefit payments.
- B. Blue Shields's records show that you are a current enrollee in a Vital Shield health insurance policy, as of January 1, 2019.

The Court directed that the parties send you this Class Notice because you have a right to know about a proposed Settlement of a class action lawsuit and about your options before the Court decides whether to approve the Settlement. If the Court approves it and after objections and appeals are resolved, Blue Shield will provide the benefits provided for in the approved Settlement.

The Court in charge of this case is the Superior Court of the State of California for Los Angeles County, and the case is known as *Bodner, et al. v. Blue Shield of California Life and Health Insurance Company*, Case No. BC516868.

## **2. What is this lawsuit about?**

This lawsuit is about whether Blue Shield's practice to not count certain covered out-patient medical services toward the deductible and co-payment/co-insurance maximum, and its practice to exclude some those services from coverage until the maximum is met, constitute a breach of the Vital Shield policies and their implied covenant of good faith and fair dealing, and violate the UCL. The lawsuit is also about whether the Blue Shield's marketing and advertising of the Vital Shield policies violated the UCL. Plaintiffs have also sought a declaration of rights as to the matters set forth in their breach of contract claim.

## **3. What is a class action and who is involved?**

In a class action lawsuit, one or more people, called the "Class Representatives" (in this case, Arthur Bodner and Michael Felker), sue on behalf of other people who have similar claims. The people together are a "Class" or "Class Members." Mr. Bodner, Mr. Felker — and all the Class Members like them — are called the Plaintiffs. The company they sued (in this case, Blue

Shield) is called the Defendant. One court resolves the issues for everyone in the Class — except for those people who choose to exclude themselves from the Class.

Los Angeles County Superior Court Judge Elihu M. Berle is in charge of this case, and has certified it as a class action.

#### **4. Why is there a settlement?**

The Court did not decide in favor of Plaintiffs or Defendant. Instead, both sides have agreed to settle the Action. The Class Representatives and Class Counsel think the Settlement is in the best interest of the Class.

### **WHO IS IN THE SETTLEMENT?**

To see if you are included in this Settlement, you first have to determine if you are a Class Member.

#### **5. How do I know if I am part of the settlement?**

The Class includes all individuals who are or were enrolled in, a Blue Shield Vital Shield series of policies, including but not limited to Vital Shield 2900, Vital Shield 2900-G, Vital Shield Plus 2900, Vital Shield Plus 2900-G, Vital Shield 2900 Plus Generic Rx, Vital Shield Plus 2900 Generic Rx-G, Vital Shield 900, Vital Shield 900-G, Vital Shield Plus 900, Vital Shield Plus 900-G, Vital Shield 900 Plus Generic Rx, Vital Shield Plus 900 Generic Rx-G, Vital Shield Plus 400, Vital Shield Plus 400-G, Vital Shield Plus 400 Generic Rx, Vital Shield Plus 400 Generic Rx-G, and were mailed this Notice, with certain exclusions as detailed in response to Question 6.

#### **6. Are there exceptions to being included?**

Yes. You are excluded from the Class if both of the following are true: (1) You did not incur any expanded deductible or co-insurance/co-payment maximum up to and including January 1, 2019; and (2) You were not enrolled in a Vital Shield Policy as of January 1, 2019.

#### **7. Does this Settlement cancel my Vital Shield Policy**

No. If you are currently enrolled in a Vital Shield policy, no matter what you decide to do in response to this Settlement—exclude yourself, object, or do nothing—your Vital Shield policy

will not be terminated by the Settlement and the future rights and benefits provided by your Vital Shield policy, if it is still in effect, will continue. Although certain Claims with respect to Vital Shield policies arising out of Blue Shield's application of the deductible and out-of-pocket/co-insurance maximum provisions, will be released as detailed in response to Question 12.

**8. I'm still not sure if I am included in the Class**

If you are not sure whether you are included in the Settlement Class, call [ADMINISTRATOR CONTACT].

**THE SETTLEMENT BENEFITS—WHAT YOU GET**

**9. What does the settlement provide?**

This Settlement provides that Blue Shield shall pay \$12.5 million ("Gross Settlement Amount"), minus attorneys' fees, litigation expenses and incentive awards, into a settlement fund under the control of the Settlement Administrator. The settlement fund will be used to pay all Settlement Administrative Expenses. The Gross Settlement Fund less: (i) attorneys' fees and litigation expenses awarded by the Court; and (ii) any service awards to the Class Representatives awarded by the Court and (iii) the Settlement Administrative Expenses shall be the "Net Settlement Fund."

The Net Settlement Fund shall be used to pay Settlement Checks distributed to the Class as described in response to question 10.

**10. How much will my Settlement Check be?**

Blue Shield's records have identified: (1) What each Class Member received in health care benefit payments annually from Blue Shield; (2) What each Class Member should have received if the Court held that all of Plaintiffs' allegations regarding how the Vital Shield deductible and out-of-pocket maximum provisions should have been administered were correct; (3) the difference between what each Class Member received and what they would have received under Plaintiffs' theory of the case, which is called herein "Actual Damages".

Each Class Member who had Actual Damages under Plaintiffs' theory of the case will receive a pro-rata share of the Net Settlement Fund in accordance with their Actual Damages, with a minimum Settlement Check in the amount of \$10.00 if they are not currently a Vital Shield policy holder, as of January 1 2019 to the present, and a minimum Settlement Check in the amount of \$50 if they are currently a Vital Shield policy holder, as of January 1, 2019 to the present.

Class Members who have not yet suffered any Actual Damages, but are still Vital Shield policy holders as of January 1, 2019 to the present, will received a Settlement Check in the amount of \$50.00.

Your estimated Settlement Check shall be \$\_\_\_\_\_.

**11. When will I get my Settlement benefit?**

The Court will hold a hearing on \_\_\_\_\_, 2020 to decide whether to finally approve the settlement. If the Court approves the settlement after that, there may be appeals relating to the settlement. It is always uncertain how these appeals will be resolved, and resolving them can take time, perhaps more than a year. Payment will be made once any and all appeals are resolved. Please be patient.

**12. What am I giving up to get a payment or stay in the Class?**

Unless you exclude yourself, you are staying in the Class, and that means that you can't sue, continue to sue, or be part of any other lawsuit, arbitration or other legal proceeding against Blue Shield regarding the claims that were or could have been pleaded against Blue Shield based on the facts contained in the First Amended Complaint filed in this lawsuit, including, but not limited to those arising out of Blue Shield's application of the deductible and out-of-pocket/co-insurance maximum provisions incurred while you were enrolled in Vital Shield policies, including claims for damages.

If you are still a Vital Shield policyholder as of January 1, 2019, you are also giving up any claims based on the facts contained in the First Amended Complaint filed in this lawsuit, including, but not limited to those arising out of Blue Shield's application of the deductible and out-of-pocket/co-insurance maximum provisions incurred that have or may still occurred since January 1, 2019, including any claims for damages.

If you want to know more about this release of claims, you should review Section III of the Settlement Agreement which can be viewed on the website [www. \\_\\_\\_\\_\\_](http://www._____) or requested from the Administrator as set forth in Question and Answer 24. Also, if you do not exclude yourself from the Settlement, all of the Court's orders will apply to you and legally bind you, even if you had objected to the proposed Settlement.

**EXCLUDING YOURSELF FROM THE SETTLEMENT**

If you do not want to be subject to the Settlement or you want to keep the right to sue or continue to sue Defendant on your own with respect to claims that were or could have been pleaded

against Blue Shield based on the facts contained in the First Amended Complaint filed in this lawsuit, including, but not limited to those arising out of Blue Shield’s application of the deductible and out-of-pocket/co-insurance maximum provisions incurred while you were enrolled in Vital Shield policies, then you must take steps to get out of the Settlement. This is called excluding yourself – or is sometimes referred to as opting out of the Settlement Class.

**13. How do I get out of the Settlement?**

If you do not want to be part of the Settlement Class, you may exclude yourself or “opt out.” If you exclude yourself, you will not be entitled to any Settlement benefits described in this Notice, and you will not be bound by the Release. To exclude yourself from the Settlement, you must submit a written request to the Settlement Administrator stating that you want to be excluded from the Settlement in *Bodner v. Blue Shield*, Case No. BC516868. Be sure to include your name, address, telephone number, as well as your signature. You must **mail** your signed request for exclusion postmarked no later than \_\_\_\_\_, to: in care of the Settlement Administrator at the following address:

*Bodner v. Blue Shield* Settlement Administrator

c/o [INSERT ADMINISTRATOR INFORMATION]

**THE ENVELOPE CONTAINING YOUR SIGNED REQUEST FOR EXCLUSION MUST BE POSTMARKED BY NO LATER THAN [EXCLUSION DEADLINE]**

You cannot exclude yourself on the phone or by e-mail. If your signed request for exclusion is not mailed with a postmark on or before \_\_\_\_\_, it will be ineffective and you will be part of the Class, and bound by all orders and judgments entered in connection with the Settlement, including the Release.

**14. If I don’t exclude myself, can I sue Defendant for the same thing later?**

No. Unless you exclude yourself, you give up the right to sue Defendant for the claims that this Settlement resolves. If you have a pending lawsuit regarding claims that may be released by this Settlement, speak to your lawyer in that lawsuit about this Class Notice immediately. You must exclude yourself from this Class to continue your own lawsuit. Remember, the exclusion deadline is \_\_\_\_\_.

## THE LAWYERS REPRESENTING YOU

### 15. Do I have a lawyer in this case?

Yes. The Court appointed the following law firms to represent the Class: Gianelli & Morris, Stuart Law Firm and the Law Offices of Kathryn Trepinski. Together the law firms are called Class Counsel. You will not be charged for the services of these lawyers. If you want to be represented by your own lawyer, you may hire one at your own expense.

### 16. How will the lawyers be paid?

You will not be charged directly for the fees or expenses of Class Counsel appointed by the Court, or for settlement administration expenses. Instead, those lawyers may apply to the Court for payment of fees and expenses out of the Gross Settlement Fund.

No later than \_\_\_\_\_, Class Counsel intends to file with the Court their motion of an award of attorneys' fees requesting a fee of 33 and 1/3% (\$4,166,250.00) of the Gross Settlement Fund, plus reimbursement of out-of-pocket expenses of up to \$653,433.46, and cost of the Settlement Administration up to \$98,508.00. The Court may award less than these amounts. Blue Shield has agreed not to oppose a request for attorneys' fees and expenses. These fees would pay the Class Counsel for investigating the facts, actively litigating the case for more than six years, and negotiating the Settlement.

### 17. What payments will be made to the Class Representatives?

Class Counsel will ask the Court to award the Class Representatives Arthur Bodner and Michael Felker a total of no more than \$20,000 (\$10,000 for each Class Representative) as service awards, out of the Gross Settlement Fund

## OBJECTING TO THE SETTLEMENT OR DISPUTING MY ESTIMATED SETTLEMENT CHECK

### 18. How can I tell the Court I do not like the Settlement?

If you are a Class Member, you can object to the Settlement if you do not like any part of it. The Court will consider your views in connection with the Final Approval hearing described below.

To object, you must send your objection in writing, saying that you object to the proposed Settlement. You may not object if you excluded yourself from the Settlement.

To object, you must send a letter saying that you object to the settlement in *Bodner v. Blue Shield*. The letter must include your name, address, telephone number, signature, and the specific reasons (if any) for each objection, including any legal support you wish to bring to the Court's attention, and any evidence or other information you wish to submit. If you intend to appear at the fairness hearing, either in person or through counsel hired at your expense, your objection must state that as well. Finally, your objection must include a statement of any prior class action settlement objections made and any fee arrangements made with an attorney regarding the objection.

You must mail your objection to the Settlement Administrator, at the addresses listed below, no later than \_\_\_\_.

*Bodner v. Blue Shield* Settlement Administrator

c/o [INSERT ADMINISTRATOR INFORMATION]

**19. How can I tell the Court I believe my estimated Settlement Check is incorrect?**

If you believe your estimated Settlement Check was calculated incorrectly, you may also submit a written statement of dispute. The written statement of the dispute should set forth the specific reason(s), if any, for the dispute, including any legal support the Class Member wishes to bring to the Court's attention and any evidence or other information the Class Member wishes to introduce in support of the written statement of dispute. The written statement of dispute must also include your name, address, signature, and telephone number. If you intend to appear at the fairness hearing, either in person or through counsel hired at your expense, your statement of dispute must state that as well. Finally, your statement of dispute must include a statement of any prior class action settlement objections or statements of dispute made and any fee arrangements made with an attorney regarding the statement of dispute.

You must mail your written statement of dispute to the Settlement Administrator, at the addresses listed above in response to question 18, no later than \_\_\_\_.

**20. What is the difference between objecting, excluding and disputing my estimated Settlement Check?**

Objecting is simply telling the Court that you do not like something about the Settlement. You can object only if you stay in the Settlement Class. If you object, you will remain in the

Settlement Class and will be bound by the Settlement, even if the Court disagrees with you and approves the Settlement over your objection.

A written statement of dispute does not indicate that you object to the Settlement, but only that you believe your own Settlement Check was not calculated correctly.

Excluding yourself is telling the Court that you do not want to be part of the Settlement Class. If you exclude yourself, you have no basis to object or dispute your Settlement Check because the case no longer affects you.

## THE COURT'S FAIRNESS HEARING

### 21. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Final Approval Hearing on \_\_\_\_\_, 2020 (or such continued dates or times as the Court may direct without further notice to the Class) in Courtroom 6, Second Floor, located at 312 North Spring Street, Los Angeles, California 90012. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. If there are objections, the Court will consider them. The Court may listen to people who, prior to the hearing, have asked to speak at the hearing. The Court will also decide how much attorneys' fees and costs to award Class Counsel and whether to approve the service awards to the Class Representatives. After the hearing, the Court will issue its decision on the matters addressed at the hearing. We do not know when that decision will be made.

### 22. Do I have to come to the hearing?

No. Class Counsel will answer questions the Court may have. But you are welcome to come, at your own expense. If you send an objection, you don't have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary.

### 23. May I speak at the hearing?

You may ask the Court for permission to speak at the fairness hearing. To do so, you must send a letter stating that it is your "Notice of Intention to Appear in *Bodner v. Blue Shield*." Be sure to include your name, address, telephone number, and signature. Your Notice of Intention to Appear must be postmarked no later than \_\_\_\_\_, 2020 and be sent to Settlement Administrator at the address listed above in response to question 18.

**GETTING MORE INFORMATION**

**24. Are there more details about the Settlement?**

This Notice summarizes the proposed settlement. More details are in the settlement agreement. You can get a copy of the settlement agreement by requesting a copy from the Settlement Administrator at the address stated above in response to question 8. If you still have questions, you may contact the Settlement Administrator. Please do not contact Blue Shield directly for this purpose.

3 Settlement reached with Defendant Blue Shield of California Life and Health Insurance Company  
4 (“Blue Shield”) in this lawsuit was heard on \_\_\_\_\_. After considering the Settlement, the  
5 moving papers, arguments of counsel, and all other matters presented to the Court, the Court finds  
6 that:

7           1.       On August 1, 2013, Plaintiffs filed a putative class action against Blue Shield. On  
8 May 21, 2014, Plaintiffs filed the operative First Amended Complaint (“FAC”).

9           2.       Plaintiffs’ FAC made various allegations regarding Blue Shield’s “Vital Shield”  
10 health insurance policies series. Plaintiffs alleged that when Blue Shield administered claims  
11 submitted by Blue Shield enrollees with the Vital Shield policies, Blue Shield wrongfully failed  
12 to count certain out-patient medical services towards its members’ deductibles and out-of-pocket  
13 maximums, and wrongfully excluded from coverage certain services until the out-of-pocket  
14 maximum had been met. Plaintiffs alleged causes of action for breach of contract, breach of the  
15 implied covenant of good faith and fair dealing, unfair business practices in violation of Bus. and  
16 Prof. Code section 17200, and declaratory relief. Plaintiffs sought damages for monies for health  
17 insurance benefits that Blue Shield did not pay as a result of the alleged wrongful practices.

18           3.       On September 3, 2015, Plaintiffs filed a motion to certify the following class under  
19 Code of Civil Procedure Section 382 and Rule 3.764 of the California Rules of Court: “All  
20 individuals currently enrolled in, or who were enrolled in, a BlueShield Vital Shield policy,  
21 including Vital Shield 2900, Vital Shield 2900-G, Vital Shield Plus 2900, Vital Shield Plus 2900-  
22 G, Vital Shield 2900 Plus Generic Rx, Vital Shield Plus 2900 Generic Rx-G, Vital Shield 900,  
23 Vital Shield 900-G, Vital Shield Plus 900, Vital Shield Plus 900-G, Vital Shield 900 Plus Generic  
24 Rx, Vital Shield Plus 900 Generic Rx-G, Vital Shield Plus 400, Vital Shield Plus 400-G, Vital  
25 Shield Plus 400, Generic Rx, Vital Shield Plus 400 Generic Rx-G, excluding persons who are no  
26 longer enrolled in a Vital Shield Policy and who did not incur any expanded deductible or co-  
27 insurance/co-payment maximum.” (the “Certified Class”).

1           4.       On February 18, 2016, the Court held a hearing and granted the class certification  
2 motion on all causes of action. The Court appointed Gianelli & Morris, the Stuart Law Firm and  
3 the Law Office of Kathryn Trepinski as Class Counsel, and appointed Plaintiffs Arthur Bodner  
4 and Michael Felker as Class Representatives.

5           6.       Blue Shield denies each and every claim and contention alleged or otherwise made  
6 or pursued against it by Plaintiffs in this Litigation. Blue Shield denies all charges of wrongdoing  
7 or liability against it arising out of any of the conduct, statements, acts, or omissions alleged, or  
8 that could have been alleged, in the Litigation.

9           5.       The proposed Settlement resulted from five arms-length in-person mediations  
10 sessions with Robert J. Kaplan, Esq. and Edwin Oster, Esq. The proposed Settlement was  
11 concluded only after Plaintiffs and Blue Shield conducted their own investigations and  
12 evaluations of the factual and legal issues raised by Plaintiffs' claims and Blue Shield's defenses.

13           6.       Plaintiffs and Class Counsel have agreed to settle the Litigation after considering  
14 such factors as (a) the benefits to Plaintiffs and the Class provided by the Agreement; (b) the risks  
15 and uncertainty of litigation, especially in complex actions such as this, as well as the difficulties  
16 and delays inherent in such litigation; and (c) the desirability of consummating the Agreement in  
17 order to provide relief to Plaintiffs and the Class. Blue Shield has concluded that further litigation  
18 would be protracted and expensive, and Blue Shield considers it desirable to settle this Litigation  
19 for the purpose of avoiding the expense, burden, inconvenience, and inherent risk of litigation and  
20 the concomitant disruption of its business operations.

21           7.       The Parties have entered into the Agreement previously filed with this Court.

22           8.       The Court has reviewed the Agreement (and all its attachments) and determined  
23 the proposed Settlement to be fair, reasonable, adequate, and within the range of possible  
24 approval. The proposed Settlement does not improperly grant preferential treatment to Plaintiffs  
25 or any segment of the Class. The proposed Settlement is sufficient to warrant sending Class  
26 Notice to the Class Members. The procedures for establishing and administering the benefits  
27 provided by the proposed Settlement, for providing notice of the proposed Settlement, for  
28

1 exclusion from the Proposed Settlement, and for filing objections to the proposed Settlement are  
2 fair, reasonable, and in the best interests of the Class.

3 9. The Court has reviewed the notice provisions of Paragraph 28-29 of the  
4 Agreement and the form of Notice of Proposed Settlement of Class Action and Final Approval  
5 Hearing (“Class Notice”) attached to the Agreement as Exhibit 1. The Court has determined that  
6 mailing the Class Notice to the last known addresses of the identified Class Members:

7 (a) constitute the best practicable notice under the circumstances;

8 (b) is reasonably calculated to apprise identified Class Members of the  
9 pendency of the Litigation and of their right to object to the proposed Settlement;

10 (c) is reasonable and constitutes due, adequate, and sufficient notice to all  
11 persons entitled to receive notice; and

12 (d) meets all applicable requirements of Rule 3.769 of the California Rules of  
13 Court.

14 10. Based on Plaintiffs’ motion, the Memorandum of Points and Authorities, the  
15 Agreement, and all supporting exhibits and attachments, the Court preliminarily certifies for  
16 settlement purposes the Class, as defined in 10(b) of the Agreement, pursuant to California Code  
17 of Civil Procedure section 382. The Court hereby finds for settlement purposes that all the  
18 elements of Section 382 are satisfied including numerosity, ascertainability, commonality,  
19 typicality, adequacy and superiority.

20 Accordingly, it is ORDERED AND DECREED AS FOLLOWS:

21 1. The Motion for Preliminary Approval is GRANTED. The Court preliminarily  
22 approves the proposed Settlement. All defined terms above and in this Order have the same  
23 meanings as in the Agreement.

24 2. For purposes of the proposed settlement, and conditioned upon the Agreement  
25 receiving final approval following the Final Approval Hearing, the Court hereby preliminarily  
26 and conditionally certifies the Class, as defined in Section 10(b) of the Agreement, and appoints  
27 Plaintiffs Arthur Bodner and Michael Felker as Class Representatives, and the law firms of  
28

1 Gianelli & Morris, the Stuart Law firm and the Law Offices of Katheryn Trepinski as Class  
2 Counsel for the Class. The Class is defined as pursuant to California Code of Civil Procedure  
3 section 382 and Rule 3.764 of the California Rules of Court, as:

4 “All individuals who are or were enrolled in, a Blue Shield Vital Shield series of  
5 policies, including but not limited to Vital Shield 2900, Vital Shield 2900-G, Vital  
6 Shield Plus 2900, Vital Shield Plus 2900-G, Vital Shield 2900 Plus Generic Rx, Vital  
7 Shield Plus 2900 Generic Rx-G, Vital Shield 900, Vital Shield 900-G, Vital Shield  
8 Plus 900, Vital Shield Plus 900-G, Vital Shield 900 Plus Generic Rx, Vital Shield  
9 Plus 900 Generic Rx-G, Vital Shield Plus 400, Vital Shield Plus 400-G, Vital Shield  
Plus 400 Generic Rx, Vital Shield Plus 400 Generic Rx-G, and were mailed notice as  
set forth herein, excluding persons for whom both of the following is true: (1) the  
person did not incur any expanded deductible or co-insurance/co-payment maximum  
up to and including January 1, 2019; and (2) the person was not enrolled in a Vital  
Shield Policy as of January 1, 2019.”

10 3. A Final Approval Hearing will be held on \_\_\_\_\_, at \_\_\_\_ a.m., in Department 6,  
11 Room 211, of the Superior Court, County of Los Angeles, Spring Street Courthouse, 312 N.  
12 Spring Street, Los Angeles, California 90012, to consider the fairness, reasonableness, and  
13 adequacy of the proposed Settlement and whether it should be finally approved by the Court.

14 4. The Court approves the proposed Class Notice and the plan for giving notice.

15 5. Blue Shield and Class Counsel are authorized to:

16 (a) establish the means necessary to administer the proposed Settlement, in  
17 accordance with the terms of the Agreement; and

18 (b) retain a Settlement Administrator to help administer the proposed  
19 Settlement, including the mailing of the Class Notice.

20 6. The Court appoints KCC Class Action Services, LLC as the Settlement  
21 Administrator to implement the terms of the Agreement.

22 7. The Settlement Administrator will mail the Class Notice to each identified Class  
23 Member by first-class mail, postage prepaid, to his or her last known address no later than 30  
24 days after entry of this Order, as described in the Agreement.

25 8. The Settlement Administrator shall file proof of the mailing of the Class Notice at  
26 or before the Final Approval Hearing.

1           9.       Within 21 days of the Court's entry of the Preliminary Approval Order, Blue Shield  
2 shall pay \$34,424.00 of the Gross Settlement Amount into the Settlement Fund under the control  
3 of the Settlement Administrator to pay the costs for the Settlement Administrator to effectuate the  
4 Class Notice.

5           10.      Class Counsel will file their motion for approval of Class Counsel's fees,  
6 expenses, and Class Representative service award no later than 14 days after entry of this Order.

7           11.      Each Class Member who wishes to exclude himself or herself from the Class must  
8 submit an appropriate, timely written request for exclusion, postmarked no later than 60 days  
9 after the mailing of the Class Notice to the Settlement Administrator at the address provided in  
10 the Class Notice.

11          12.      Any Class Member who does not file a timely written request for exclusion shall  
12 be bound by all subsequent proceedings, orders, and judgments in this Action, including, but not  
13 limited to, the Release, even if he or she has litigation pending or subsequently initiates litigation  
14 against Blue Shield with respect to the Released Claims.

15          13.      Each Class Member who wishes to object to the fairness, reasonableness, or  
16 adequacy of the Agreement, the proposed Settlement, or to the requested award of attorneys' fees  
17 and expenses must mail to the Settlement Administrator, no later than 60 calendar days after the  
18 mailing of the Class Notice, a written statement of the objections, setting forth the following  
19 information: (i) The Class Member's name, address, telephone number, signature; (ii) The  
20 specific reasons (if any) for each objection, including any legal support the Class Member wishes  
21 to bring to the Court's attention; (iii) any evidence or other information the Class Member wishes  
22 to submit; and (iv) a statement of any prior class action settlement objections made and any fee  
23 arrangements made with an attorney regarding the objection(s).

24          14.      Each Class Member who wishes to dispute the amount of their estimated  
25 Settlement Check as set forth in Exhibit 4 and/or the Class Notice shall mail to the Settlement  
26 Administrator no later than 60 calendar from the date of the mailing of the Class Notice, a written  
27 statement of the dispute, setting forth the following information: (i) The Class Member's name,  
28

1 address, telephone number, signature; (ii) The specific reasons (if any) for the dispute, including  
2 any legal support the Class Member wishes to bring to the Court's attention; (iii) any evidence or  
3 other information the Class Member wishes to submit; and (iv) a statement of any prior class  
4 action settlement objections or disputes made and any fee arrangements made with an attorney  
5 regarding the dispute.

6 15. Any Class Member who files and serves a written objection or statement of  
7 dispute, as described in Paragraphs 13 and 14, may appear at the Final Approval Hearing, either  
8 in person or through counsel hired at the Class Member's expense, to object to the fairness,  
9 reasonableness, or adequacy of this Agreement or the proposed Settlement, or dispute their  
10 estimated Settlement Check. Class Members or their attorneys who intend to make an appearance  
11 at the Final Approval Hearing must mail a notice of intention to appear to the Settlement  
12 Administrator, no later than sixty days from the date the Class Notice was mailed to the Class  
13 Members.

14 16. Any Class Member who objects to the Settlement and/or their estimated  
15 Settlement Check will be entitled to all of the benefits of the Settlement if it is approved, as long  
16 as the objecting Class Member complies with all requirements of the Agreement.

17 17. Upon receipt of any request for exclusion, objection, notice of dispute, or notice of  
18 intent to appear, the Settlement Administrator shall immediately forward a copy of the exclusion  
19 request, objection, notice of dispute, or notice of intent to appear to Class Counsel, Blue Shield's  
20 counsel and the Court.

21 18. All proceedings in the Litigation are stayed until further order of the Court, except  
22 as may be necessary to implement the proposed Settlement or to comply with the terms of the  
23 Agreement.

24 19. This Order will become null and void, and will not prejudice the rights of the  
25 Parties, all of whom shall be restored to their respective positions existing immediately before this  
26 Court entered this Order, if: (a) the proposed Settlement is not finally approved by the Court, or  
27 does not become final, pursuant to the terms of the Agreement; or (b) the Settlement is terminated  
28

1 in accordance with the terms of Agreement. If any of these events occurs, the Settlement and  
2 Agreement will become null and void and be of no further force and effect, and neither the  
3 Agreement nor this Order may be used in the Litigation or in any other proceeding for any  
4 purpose.

5 20. In no event may the Settlement or any of its provisions, or any negotiations,  
6 statements, or proceedings relating to it, be offered as, received as, used as, or deemed to be  
7 evidence in the Litigation, any other action, or in any other proceeding, except in a proceeding to  
8 enforce the Agreement. Without limiting the preceding sentence, neither the Agreement nor any  
9 related negotiations, statements, or proceedings may be offered as, used as, or deemed to be  
10 evidence or an admission or concession by any person of any matter, including but not limited to  
11 any liability or wrongdoing on the part of Blue Shield.

12 21. The Court reserves the right to continue the Final Approval Hearing without  
13 further written notice to the Class, but will notify counsel for the Parties and any objectors or their  
14 counsel who have timely filed a notice of intention to appear in these proceedings. Unless the  
15 Court specifically orders otherwise, any such continuance will not be interpreted to expand or  
16 change any deadlines contained in this Order or the Agreement.

The motion of Plaintiffs Arthur Bodner and Michael Felker, on behalf of themselves and all others similarly situated, for final approval of the class action Settlement reached with Defendant Blue Shield of California Life and Health Insurance Company (“Blue Shield”) (collectively, the “Parties”) in this lawsuit was heard on \_\_\_\_\_. After considering the Settlement, the moving papers, arguments of counsel, and all other matters presented to the Court, the Court ORDERS, ADJUDICATES, AND DECREES as follows:

1. The Motion for Final Approval is GRANTED. The Court approves the proposed Settlement.

2. This Final Order Approving Class Action Settlement and Judgment (“Final Order and Judgment”) incorporates by reference: (a) the Parties’ Agreement filed on \_\_\_\_\_, including Exhibits 1-4 (collectively the “Agreement”); and (b) the Court’s findings and conclusions contained in its Order Granting Preliminary Approval of Class Settlement (the “Preliminary Approval Order”). All defined terms in this Final Order and Judgment have the same meanings as in the Agreement.

3. All preliminary findings and conclusions in the Court’s Preliminary Approval Order are final.

4. The Court has personal jurisdiction over all members of the Class. The Court has subject matter jurisdiction over the claims asserted in this Litigation to approve the Settlement, the Agreement, and all attached exhibits. The Agreement and Settlement are fair, reasonable and adequate, and consistent and in compliance with the applicable provisions of the Code of Civil Procedure and the Rules of Court, as to, and in the best interests of, the Class. The Court also finds that the Settlement resulted from an arms-length mediation process and was concluded only after Plaintiffs and Blue Shield conducted their own investigations and evaluations of the factual and legal issues raised by Plaintiffs’ claims, as well as Blue Shield’s defenses. No objections have been made to the Settlement by any member of the Class. Accordingly, the Agreement and the Settlement are finally approved.

1           5.       The Class, as defined in Section 10(b) of the Agreement, is finally certified for  
2 settlement purposes.

3           6.       The Court directs the Parties and their counsel to implement and consummate the  
4 Agreement according to its terms and provisions.

5           7.       Pursuant to the Court's Preliminary Approval Order, the notice requirement was  
6 satisfied in that the Class Administrator sent the Class Notice to each Class Member, no later than  
7 30 days after entry of the Preliminary Approval Order, by first-class mail, postage prepaid, to each  
8 identified Class Member's last known address, and where necessary, further steps were taken in  
9 accordance with the Agreement to obtain updated addresses when the mail was returned as  
10 undelivered and to re-mail the Class Notice. Class Members had the opportunity to object to the  
11 Settlement and the Agreement, or to exclude themselves from the Settlement, and they were  
12 informed of the date, time, and location of the Final Approval Hearing and had the opportunity to  
13 appear at the Final Approval Hearing. These procedures afforded protections to persons in the  
14 Class and provide the basis for the Court to make an informed decision on approval of the  
15 Settlement based on the responses of Class Members.

16           7.       The Class Notice and all other instruments provided to the Class Members:

17                   (a)       constituted the best practicable notice under the circumstances;

18                   (b)       constituted notice that was reasonably calculated to apprise Class Members  
19 of the pendency of the Litigation, of their right to exclude themselves from the Settlement, of their  
20 right to object to the proposed Settlement and of their right to appear at the Final Approval  
21 Hearing;

22                   (c)       was reasonable and constituted due, adequate, and sufficient notice to all  
23 persons entitled to receive notice; and

24                   (d)       met all applicable requirements of the Code of Civil Procedure and the  
25 Rules of Court.

26           8.       The Class Counsel and the Plaintiff adequately represented the Class for purposes  
27 of entering into and implementing the Settlement.

28

1           9.       The list of those persons who have requested exclusion from the Class in accordance  
2 with the terms of the Settlement Agreement and Preliminary Approval Order has been filed with  
3 the Court, is attached to this Order, and is hereby approved. Those persons are excluded from the  
4 Class. The Court finds that it is a complete list of all Class Members who have timely requested  
5 exclusion from the Class, and accordingly, such Class Members shall neither share in nor be bound  
6 by this Final Order and Judgment or the Agreement.

7           10.       The Court grants Plaintiffs' Motion for Attorneys' Fees, Expenses and Class  
8 Representative Service Awards, and approves as fair and reasonable, attorneys' fees to Class  
9 Counsel in the amount of thirty three and one third percent (33 1/3%) of the Gross Settlement  
10 Amount (\$4,166,250.00) plus costs of Class Counsel in the amount of \$653,433.46. This payment  
11 must be provided by Blue Shield to Class Counsel in accordance with Paragraph 26 of the  
12 Agreement.

13           11.       As service awards for participation as the Class Representatives in the Litigation,  
14 the Court awards \$10,000.00 to Plaintiff Arthur Bodner and \$10,000.00 to Plaintiff Michael  
15 Felker. This payment must be provided by Blue Shield to Class Counsel in accordance with  
16 Paragraph 27 of the Agreement.

17           12.       KCC Class Action Services, LLC, the Court-appointed Settlement Administrator, is  
18 authorized to continue its duties as set forth in the Agreement, and shall carry out all the tasks set  
19 froth in the Agreement that are assigned to the Settlement Administrator and remain to be  
20 performed.

21           13.       The Court finds that the Settlement Administrative Expenses are reasonable and that  
22 the Settlement Administrator is authorized to be paid up to \$\_\_\_\_\_ from the Gross Settlement  
23 Amount from the Settlement Fund for its work concerning the Settlement.

24           14.       The Court grants final approval to the method of allocation and distribution of the  
25 Net Settlement Fund as set forth in the Agreement.

1           15.     The release of claims set forth in the Agreement in Paragraphs 20-22 is  
2 incorporated by reference and effective as of the date of this Final Order and Judgment, and  
3 forever discharges the Released Parties from any claims or liabilities arising from or related to the  
4 Released Claims.

5           16.     Without affecting the finality of this Final Order and Judgment for purposes of  
6 appeal, the Court retains jurisdiction as to all matters relating to administration, consummation,  
7 enforcement, and interpretation of the Agreement and this Order, and for any other necessary  
8 purpose; *provided, however*, that nothing in this paragraph restricts the ability of the Parties to  
9 exercise their rights under Paragraph 18 of this Final Order and Judgment. The Parties submit to  
10 the jurisdiction of the Court for purposes of administration, construction, consummation,  
11 enforcement, and interpretation of the Agreement and the Settlement.

12           17.     The Agreement is binding on, and has *res judicata* and preclusive effect in, all  
13 pending and future lawsuits or other proceedings maintained by or on behalf of Plaintiffs and any  
14 other Class Members, as well as their Related Parties that allege Released Claims, as defined in the  
15 Agreement.

16           18.     Neither this Final Order and Judgment, nor the Agreement, nor any other  
17 documents they reference or attach, nor any action taken to carry out this Final Order and  
18 Judgment or the Agreement, is, may be construed as, or may be used as an admission or  
19 concession by or against Blue Shield of the validity of any claim or any actual or potential fault,  
20 wrongdoing, or liability whatsoever. Entering into or carrying out the Agreement, and any  
21 negotiations or proceedings relating to it, may not in any event be construed as, or deemed  
22 evidence of, an admission or concession as to Plaintiff's claims or Blue Shield's denials or  
23 defenses, and may not be offered or received in evidence in any action or proceeding against any  
24 party in any court, administrative agency, or other tribunal for any purpose whatsoever, except as  
25 evidence of the Settlement or to enforce the provisions of this Final Order and Judgment or the  
26 Agreement; *provided, however*, that this Final Order and Judgment and the Agreement may be  
27 filed in any action against or by Blue Shield or the Class Members to support a defense of *res*  
28

1 *judicata*, collateral estoppel, release, waiver, good-faith settlement, judgment bar or reduction, full  
2 faith and credit, or any other theory of claim preclusion, issue preclusion, or similar defense or  
3 counterclaim to the extent allowed by law.

4 15. The Parties are authorized, without further approval from the Court, to agree to and  
5 adopt non-substantive amendments, modifications, or expansions of the Agreement that are  
6 consistent with this Final Order and Judgment, and do not limit the rights of Class Members under  
7 the Agreement. Any substantive amendments, modifications, or expansions of the Agreement  
8 require prior approval by the Court.

9 16. Any work product retained by Plaintiffs or Class Counsel that is based on or  
10 incorporates information designated as Confidential Material under the terms of the Protective  
11 Order previously entered in this case and provided by Blue Shield is deemed Confidential Material  
12 under the terms of the Protective Order, and the disclosure or use of those materials is subject to the  
13 same restrictions as Confidential Materials under the terms of the Protective Order previously  
14 entered in this case.

15 17. Each and every Class Member, who has not been excluded from the Settlement, and  
16 their Related Parties are forever barred and enjoined from commencing, instituting, or continuing to  
17 prosecute any action or proceeding in any court of law or equity, arbitration tribunal, administrative  
18 forum, or other forum of any kind, asserting any of the Released Claims against any of the Released  
19 Parties, except for claims to enforce the Settlement.

20 18. There being no just reason for delay, the Court, in the interests of justice, directs the  
21 Clerk of the Court to enter this Final Order and Judgment, and decrees that, upon entry, it be  
22 deemed a final judgment.

## NET SETTLEMENT FUND DISTRIBUTION PLAN

In preparation for trial in this matter, Class Counsel's Expert on Damages, Hemming Morse LLP, Certified Public Accounts, Forensic and Financial Consultants, analyzed claims data for every Class Member from January 1, 2010 through December 31, 2018. Blue Shield's Expert on Damages, the Analysis Group, similarly analyzed claims data for every Class Member from January 1, 2010 through December 31, 2018.

With the Assistance of both Hemming Morse and the Analysis Group, Class Counsel has prepared a list of (1) What each Class Member received in health care benefit payments from Blue Shield, (2) What Member should have received if the Court held that all of Plaintiffs' allegations regarding how the Vital Shield deductible and out-of-pocket maximum provisions should have been administered were correct; (3) the difference between what each Class Member received and what they would have received under Plaintiffs' theory of the case.

The total difference for all Class Members is called herein the "Total Actual Damages." The difference for each Class Members is called herein "Class Members' Actual Damages."

Each Class Member who had actual damages under Plaintiffs' theory of the case will receive a Settlement Check that is a pro-rata share of the Class Members' Actual Damages, with a minimum Settlement check in the amount of \$10.00 if they are not currently a Vital Shield policy holder, as of January 1 2019 to the present, and \$50 if they are currently a Vital Shield policy holder, as of January 1, 2019 to the present.

Class Members who have not yet suffered any actual damages, but are still Vital Shield policy holders as of January 1, 2019 to the present, will received a Settlement Check in the amount of \$50.00 ("Settlement Check 50").

### Formula to Determine Distribution Plan

Net Settlement Fund - All Minimum Settlement Check 50s = Pre Minimum Distribution Fund.

$\text{Pre Minimum Distribution Fund} / \text{Total Actual Damages} = X$

*(Note: this is a ratio between 0 and 1 and represents the percentage of actual damages each class member with damage would receive before taking minimums into account)*

$X * (\text{Class Members Actual Damages}) = \text{Pre Minimum Unadjusted Settlement Check.}$

*(Note: this is the check amount each class member with damage would receive before taking minimums into account)*

Class Members who are not current Vital Shield policy holders as of January 1, 2019, who have Actual Damages, but whose Pre Minimum Unadjusted Settlement Check is less than \$10.00, will receive a Settlement Check in the amount of \$10.00. Class Members who are Vital Shield policy holders as of January 1, 2019, who have Actual Damages, but whose Pre Minimum Unadjusted Settlement Check is less than \$50.00, will receive a Settlement Check in the amount of \$50.00. The total such Settlement Checks shall be referred to as "Total Settlement Check 10s/50s".

Post Minimum Distribution Fund = Pre-Minimum Distribution Fund - All Pre Minimum Unadjusted Settlement Check 10s/50s

*(Note: this is the remaining available fund to distribute to those who are above the minimums)*

Remaining Class Members Will Receive:

Post Minimum Distribution Fund/Total Actual Damages for those whose Pre-Minimum Unadjusted Settlement Check is More than \$10/50 = Y

*(Note: this is a ratio between 0 and 1 and represents the percentage of actual damages each class member with damage will receive after taking minimums into account)*

Y \* (Class Members Actual Damages) = Post Minimum Settlement Check.

A list of each Class Members' Settlement Check as determined by this formula is attached.
